

Flavor Spotlight

Banoffee

Born from the irresistible pairing of banana and toffee, banoffee is a classic British no-bake pie featuring a buttery biscuit crust layered with fresh banana, rich caramel toffee, and cool whipped cream. Decadent and indulgent, it's a true celebration of texture and flavor—creamy, crunchy, soft, and sweet in every bite.

Now, the iconic taste of banoffee is moving beyond the pie dish. This beloved flavor is inspiring a new wave of sweet snacks, confections, ice creams, bars, and even indulgent beverages, bringing its layered, dessert-worthy taste experience.
